## About Quint

Quint Studer, BSE, MSE is a lifelong student of leadership. He has a gift for translating complex strategies into doable behaviors that allow organizations to achieve long-term success.

He is best known for providing actionable tools and insights to help leaders and organizations achieve and sustain real results.

In his most recent venture to serve healthcare, he founded Healthcare Plus Solutions Group (HPSG), along with longtime colleague Dan Collard. HPSG provides customized leadership development and coaching solutions to organizations across the continuum of care.
