

# REWIRING HEALTHCARE: FOUNDATION TO FUTURE

April 28-29, 2026, Atlanta Marriott Gateway, Atlanta, GA

## Day One, April 28

- **Breakfast + Badge Pick Up - 7:00 a.m.**
- **Conference Starts - 8:30 a.m. Welcome: Dan Collard**
- **Session 1: Welcome: Diagnose. Design. Treat. Leading Change That Works Speaker: Quint Studer**

Healthcare is evolving—and with that comes an opportunity to rethink, refine, and rewire how we work. While many practices remain strong and worth sustaining, others are ready for a new approach. Explore how we got here and how leaders can thoughtfully rewire what no longer serves them to achieve better outcomes for both caregivers and patients.
- **Session 2: Genfluence: Leading a Multigenerational Workforce (Human Capital Ecosystem™: Coworker Relationships) Speaker: Dan Collard**

For the first time in history, four generations are working side by side. Learn tactics for navigating this unprecedented era, how intergenerational dynamics influence critical issues like talent retention and care outcomes, and the concept of the Genfluencer: a workplace influencer who bridges divides, builds trust, and turns generational diversity into organizational strength.
- **Moments That Matter - Partner Spotlight #1 and #2**

A focused eight-minute partner spotlight highlighting meaningful progress and measurable impact. Leaders share a specific challenge, the actions taken, and the results achieved. (Several partner spotlights will occur throughout the conference.)
- **Session 3: Human Capital Ecosystem (HCE) Overview: Selection, Onboarding, Supervisor & Coworker Relationships Speaker: Dan Collard**

Today's healthcare environment calls for a constantly reimagined "People Pillar" if we are to build a sense of belonging, ensure improved retention, and set the stage for innovation and engagement. Explore how the Human Capital Ecosystem reimagines and prioritizes elements of an organization's focus on recruitment, retention, relationships, skill-building, support of well-being, and organizational efficiency.
- **uLeadership Nursing Breakout Lunch Session: Human-Centered Leadership in Healthcare®: Bridging Evidence to Practice (Invite Only)**

A focused, leader-to-leader discussion on evidence-based strategies to enculturate Human-Centered Leadership in Healthcare and strengthen culture and outcomes.
- **Session 4: Rewiring Leadership Development (HCE Overview: Skill Development) Speaker: Quint Studer**

Today's environment requires a personalized approach to leader development. Precision Leader Development™ (PLD) is a framework that diagnoses a leader's experience, work setting, learning style, and natural talents and then prescribes a targeted development plan.
- **Session 5: Well-Being + Caregiver Support (HCE Overview: Resources & Support) Speakers: Dan Collard; Regina Shupe, DNP, RN; Kay Kennedy, DNP, RN, NEA-BC, CPHQ, FAAN**

Explore a practical, human-centered framework grounded in the Wellness Triad—EAPs, Code Lavender, and Schwartz Rounds—to normalize support, recovery, and psychological safety.
- **Moments That Matter - Partner Spotlight #3 and #4**
- **Partner Awards - Part 1**

Celebrating partner organizations driving meaningful results, from leadership development and employee engagement to patient experience and operational performance. Each award highlights measurable outcomes, intentional actions, and a commitment to improving both people and performance.

[Day One Agenda Continued on Second Page](#)

■ **Session 6: Pulling It All Together: Operational Efficiency + Closing** **Speaker: Dan Collard**

Learn how to proactively reduce friction, simplify workflows, identify and remove the everyday “pebbles in the shoe” that wear people down over time, and ensure systems support people—not the other way around. Grounded in a continuous improvement lens, this session connects operational efficiency to a critical outcome—trust.

■ **Cocktails + Apps + Networking – 4:30 p.m. – 6:30 p.m.**

## Day Two, April 29

■ **uLeadership Rewiring for the Future: Human-Centered Leadership in Healthcare—Evidence and Evolution (Invite Only)**

This session highlights recent and emerging research supporting Human-Centered Leadership in Healthcare and explores how the model continues to evolve in response to today’s complex healthcare environment.

■ **Continental Breakfast + Conversations – 7:30 a.m.**

■ **Conference Starts – 8:30 a.m.**

■ **Welcome Back: You Asked, We Answer** **Speakers: Quint Studer, Dan Collard**

Rejoin Dan and Quint for open dialogue shaped by questions gathered throughout day one and attendee surveys. This session focuses on the issues that matter most.

■ **Session 7: Rewiring the Emergency Department (HCE Overview: Supervisor & Coworker Relationships, Operational Efficiency)** **Speaker: Regina Shupe, DNP, RN**

Explore how leadership presence, focused metrics, and intentional attention to well-being drive reliability, restore trust, and sustain performance in high-pressure environments.

■ **Moments That Matter – Partner Spotlight #5 and #6**

■ **Session 8: Rewiring the Patient Experience (HCE Overview: Belonging)** **Speaker: Lisa Reich, RN**

As rounding has become more task-focused, the human element has often been lost. Using the concept of “fertilizing the garden, not digging in the dirt,” learn how to highlight what’s working, communicate care with intention, and strengthen trust with patients.

■ **Partner Awards – Part 2**

■ **Closing: From Insight to Impact** **Speaker: Quint Studer**

Quint Studer closes the conference by drawing on the themes, insights, and real-world challenges explored throughout the Rewiring Healthcare conference. He connects the dots in a way that feels both deeply motivating and immediately doable.

■ **Conference Ends + Box Lunches – 12:00 p.m.**

■ **Optional Team Strategy Session: Turning Learning into Action**

Teams are invited to stay following the close of the conference for an optional, complimentary strategy session with an HPSG™ team member.

### Earn Education Credits

By attending the Rewiring Healthcare Conference offered by Healthcare Plus Solutions Group, participants may earn up to 9 ACHE Qualifying Education Hours toward initial certification or recertification of the Fellow of the American College of Healthcare Executives (FACHE) designation.

### Continuing Ed Accreditation:

This nursing continuing professional development activity was approved by the Georgia Nurses Association, an accredited approver by the American Nurses Credentialing Center. Participants may earn up to 8.25 nursing contact hours.

Check the QR code to see more details on the conference agenda.
